## FULL STACK DEVELOPER

### WORK EXPERIENCE

01/2020 - 04/2021

**IT Specialist at Hello World Cyber Café , Nyamirambo**

Worked in this Cyber Café as an IT Specialist and I really got some super cool stuff from the team I worked with namely; organisational skills and customer care service skills.

### EDUCATION

2021 - 2024

**Level Two Of Bachelor's Degree In Computer And Software Engineering.**

**University Of Rwanda,Huye Campus. , Huye District**

I am currently pursuing bachelor's degree in Computer and software engineering in this university.

2017 - 2019

**Rwanda Advanced Diploma Certificate. G S Remera Rukoma , Kamonyi District.**

Throughout my high school years,I independently pursued knowledge-based skills of computer science and web technology and since then this has been my forever endeavor to learn more about web and software development.

2014 - 2016

**Rwanda Ordinary Level Certificate. College De Butamwa , Nyarugenge District.**

This ensured my growth both in knowledge and practical trainings.
